

StEPs-UT Management Managing People, Places & Things

HANDS-ON ACTIVITY #3 = 15 minutes Risk Management Prevention & Response

Instructions:

- 1) Gather with your museum group
 - 2) Imagine one of the following threats occurred at your museum:
 - Theft
 - Missing Child
 - Fire
 - Flood
 - Violent Guest
 - 3) Discuss the following questions (15 minutes).
 - How would your current risk management program potentially prevent this threat from happening?
 - What systems and procedures in a potential risk management program could prevent/mitigate the damage from this threat?
 - What systems and procedures in a risk management program could provide the most comprehensive, rapid and effective response to this threat after it happened?
-

NOTES & OBSERVATIONS
