

StEPs-UT Management Managing People, Places & Things

HANDS-ON ACTIVITY #4 = 15 minutes

What Will You Do?

Instructions:

- 1) Gather with your museum group
 - 2) Go through as many of these scenarios as you can and describe how your organization will respond to these real-world situations (10 minutes).
 - 3) Group Discussion (5 minutes).
-

WHAT WILL YOU DO WHEN...

1. Your co-worker falls abruptly to the floor?
2. Your co-worker walks into your office with a severely bleeding hand?
3. Your building is experiencing an earthquake?
4. The power is out in your building?
5. There is an active shooter at the entrance of your building?
6. Your building has no power for a week?
7. Your co-worker is having trouble breathing?
8. A pipe bursts near an exhibit?
9. You smell smoke in your building?
10. Your co-worker appears to be having an allergic reaction?
