

StEPs-UT INTERPRETATION MODULE Introduction to Interpretation

HANDS-ON ACTIVITY #2 = 20 minutes I Know the Moon Discussion

INSTRUCTIONS:

After listening to the story I Know the Moon, by Stephen Anderson [5 minutes]:

- 1) Break into four groups, each with a facilitator.
- 2) Choose someone to report out from your group.
- 3) Discuss the questions below and take note of your responses (15 minutes).

How does this story apply	to museum interpretation?
TAKE NOTES ON YOUR SM	ALL GROUP DISCUSSION:

4)	Each group report out to the larger group about your key insights (1-2 minutes per group).	
ow does this story apply to museum interpretation? AKE NOTES ON YOUR SMALL GROUP DISCUSSION:		
1)	What kinds of knowledge did the animals have about the moon? How did the animals gain this knowledge?	
2)	What impacts did the animals' visit with the scientist character have on them?	
3)	What would need to happen to allow the scientist and animals to expand their stories of the moon? What could they learn from each other?
